

EVERY STORY IS UNIQUE

Isfjord Premium Arctic Rum is from Caribbean - Saint Croix.

The rum is distilled on the finest sugar canes, growing under the burning sun in the Caribbean, the rum is matured on bourbon casks and then blended with the finest water from the Arctic Regions.

The taste is dark, spicy and has an aromatic sweetness with a long after taste of caramel and notes of vanilla.

A unique rum from one of the warmest places on earth, blended with the unique water from the raw and coldest regions on earth, gives you a true unique experience.

ISFJORD Premium Arctic Rum - 70 cl - 44% alc./vol.
